## Step 1: Register

- Sign-up to Host or Join a Walk at [CompassCareWalk.com](https://CompassCareWalk.com).
- Set an ambitious goal for the number of women you would like to support. *(It costs \$570 to provide ethical medical care and comprehensive community support to one woman considering abortion).* If you have Walked before, try to 2X the number of women you hope to sponsor.

## Step 2: Reach Out

- Reach out to family and friends, asking them to join you in sponsoring those women and Walk with you.
- Send your sponsors to [CompassCareWalk.com](https://CompassCareWalk.com) to make their life-saving donation and register as a Walker too.
- A simple way to ask for sponsorship:

“Most women facing unplanned pregnancy feel stuck, like they need an abortion. CompassCare’s mission is to erase the need for abortion by transforming a woman’s fear into confidence, because all people are created in the image of God and infinitely valuable. Would you be willing to join me in helping \_\_\_\_\_ # \_\_\_\_\_ women say no to abortion by empowering them with ethical medical care and comprehensive community support?”

## Step 3: Recruit Others

- Watch the Online Rally at your home or church. To watch, go to [CompassCareWalk.com](https://CompassCareWalk.com) on Friday, May 2 at 7:00PM (ET)!
- Host or join a hosted Walk, inviting others to join you on Saturday, May 3!
