

National Walk *for* Life Weekend

Frequently Asked Questions

What is the Walk for Life Weekend?

The Walk for Life Weekend empowers the people of God across the nation to double the number of women served and babies saved from abortion in 2025. The Walk for Life Weekend starts on Friday, May 2 from 7:00-8:00PM (ET) with the live Online Rally and culminates with the In-Person Walk on Saturday, May 3 from 9:00AM-12:00PM.

What is the Online Rally?

Get inspired at the Online Rally—a live, one-hour, in-depth look into how CompassCare is leading the charge to save even more women from abortion while protecting pro-life pregnancy centers from violence and censorship. You will experience first-hand how the Church is forging a more pro-life nation—one woman and baby at a time. Host a watch party with your church, friends, and family on Friday, May 2 at 7:00PM (ET). To view the Online Rally, simply go to CompassCareWalk.com on May 2 at 7:00pm (ET) and the feed will be live on the Home page.

What is the In-Person Walk?

Publicly express your pro-life convictions on Saturday, May 3 from 9:00AM-12:00PM at an In-Person Walk. Declare the equal value of all people by hosting or joining a Walk anywhere you live. Walk with your friends and family and join thousands of pro-life Christians hosting Walks across the nation.

What if it's raining on the day of the Walk In-Person Walk?

The Walk is a rain-or-shine event. Dress appropriately and bring an umbrella if need be. Contact your Walk Host to make sure no plans have changed.

Where do I turn in my paper pledge form?

If you used a paper pledge form to raise funds, please securely enclose your pledge form and all cash and checks received in an envelope (provided by your Walk Host) and have your Host mail it to CompassCare. Alternatively, you can mail it to CompassCare's national headquarters at 2024 W. Henrietta Rd. (STE 6D), Attn: Walk Processing; Rochester, NY, 14623.

I can't make it to an In-Person Walk and/or the Online Rally. Can I still participate?

Yes, you can Walk for Life wherever you are and whenever you can! You can watch the Online Rally at CompassCareWalk.com or CompassCare's [Facebook](#) or [YouTube](#) pages. You can also set a goal, ask for sponsors, and pick a time and place to Walk that works for you. You can drop off or mail any money raised to the closest CompassCare office and collect your rewards!

How much does it cost to participate in the Walk for Life Weekend?

There is no registration fee and all activities are free to you. Just come and enjoy!

How do I get a Walk t-shirt?

Walkers who register as pledge-raising and earn their first \$47—one month of services for a woman and her baby—get the CompassCare Walk for Life t-shirt. You will receive an email with a link to choose your shirt size and have it shipped free directly to you. Walkers who raise \$570 or more can receive other rewards.

What percent of donations go to services?

Thanks to the many generous Walk sponsors, the cost to put on the Walk for Life is completely underwritten. That means that 100% of the money you raise or donate will go to saving women and babies from abortion. Even the online credit card processing fees have been underwritten, so encourage your sponsors to donate in whatever way works best for them.
