Attorney General Letitia James

Office of the New York State Attorney General
The Capitol
Albany NY 12224-0341

Dear Attorney General James,

Given that women consider abortion because they feel like they have no choice, and given the record number of abortions occurring in Brooklyn and the Bronx of all counties in the U.S., women in these boroughs experience the greatest need.

It makes me happy to announce the Grand Opening of new free medical services to women in need, who believe abortion is their only option.

Given you are from Brooklyn, I wanted to personally extend an invitation to you to attend the **Grand Opening and ribbon-cutting ceremony** of CompassCare's Brooklyn medical office on Wednesday, March 5 at 11:30am. If the time is not convenient, please consider coming to the Grand Opening of CompassCare's medical office in The Bronx on Tuesday, March 4th at 11:30am.

Should you be able to attend, we would welcome you to join other community leaders in cutting the ribbon. Media will be present at the event and would welcome your statements.

New York is the abortion capital of the nation, performing more abortions per capita than any other state in the Union. It is also home to Planned Parenthood, responsible for 40% of the nation's abortions, and DanCo Laboratories, the primary purveyor of chemical abortion, now comprising 60% of all abortions nationwide.

CompassCare provides free, essential medical care and comprehensive community support to a woman facing unplanned pregnancy, empowering her with the ability to make the most difficult choice and have the baby.

Experience first-hand what pro-life Christians are doing in NYC! At the Grand Opening, you will:

- Get inspired by the life-saving history of the Church acting through CompassCare
- Hear real stories of hearts transformed and lives saved
- Tour the offices
- Meet the nurses and other staff
- And much more!

The team is looking forward to hosting you and anyone you wish to bring from your Office. Please RSVP by February 28 by calling 585-232-3894 or emailing events@compasscare.info.
